WELCOME TO OUR

Monthly Newsletter

January marked our third month at ExhibitIQ, and the growth has been significant. We **expanded our network** with a strong wave of new artists and collectors while **accelerating partnerships** across galleries, cultural institutions, and technology collaborators.

This momentum reflects a **clear demand** for smarter cultural infrastructure and reinforces ExhibitIQ's role as a **foundational platform** supporting the evolving global art and collectibles ecosystem.

↓ In this newsletter you will find:

Latest updates, workshops, Artist Spotlights, and more. Keep Reading!

Artist Spotlight

MAGGIE YURACHEK
PHOTOGRAPHER

Maggie is a photographer working across portrait, wedding, event, and fine art photography.

Her work focuses on light, space, and human connection, exploring emotion, memory, and the quiet moments that often speak the loudest. This interdisciplinary foundation shapes her approach to visual storytelling, combining technical precision with a strong narrative sensibility.
